Phases of the project

Objectives for Students

- Work experience.
- To acquire transversal and intercultural SKILLS
- To know and adapt to other work environments, know their strengths and increase their opportunities to JOIN the labor market
- To know the DEMANDS of the European labor market
- To improve your language skills for employment in Europe

Objetivos

Objectives for the consortium

- To favor the INTERNATIONALIZATION of the institutes as an instrument that allows the mobility of VET teachers and students and the increase of the mobility ratio
- To include students in RISK OF SOCIAL EXCLUSION, inviting them to participate in initiatives that motivate them for lifelong learning and allow them to acquire the Technical, Cross-cutting, Social and Intercultural SKILLS that facilitate their active INCORPORATION into the European LABOR MARKET.
- To create a space to share GOOD PRACTICES internationally
